Mixed at the Lunchbox Studio, Abruzzo, Italy, by **Luigi Caprara**, except track 15 mixed by **Enzo Dalla Gassa** at the Hate Studio, Vicenza, Italy. Mastered at the Big Label Studio, Las Vegas, USA, by **John Rogers**.

I would like to say thank you to everyone that I collaborated with creatively on this record: **Benjamin 'Shapiro' Dufrene** for understanding me so much and creating unique melodies for my heart and soul, **Sarah Touati** (yeah!), **Sergej Falk** (the coolest photographer ever!), **Enzo Dalla Gassa** (for your never-ending guidance and support!), **Luigi Caprara** (for your amazing patience while recording me! I know one day I'll end up in a bag!), **Isabelle Longevy** (for being a real mom to me!), **Nebajsa Čamprag** (for your words on "Out Of Perception"), **Zsombor Sabó** (the Amazing Zsombor! My Musicopedia!). Very special thanks to **Marco Contini**, **Alessandro J. Caligiuri**, **Ingrid Beaumont** and **Debra Wright** for your endless support, guidance and friendship all over the years. Where would I be without you? To my family and friends around the world: love you all so much. Thanks to all the people at Icon Records France and Top Music Japan for your incredible support over the past years. It means a lot to me. Last but not least: to all my fans around the world. Without you, all this wouldn't mean anything. I truly love you all.

I would like to dedicate "In My Veins" to my dear grandmother **Maria Di Rito** for teaching me how to be pray and love.
